Dear STC Member,

**Re: STC update and future events.**

We hope this finds you well.

Firstly, can we take this opportunity to once again congratulate everyone involved in April's "A Night at the Musicals Two". The concert was a great success. It was very well supported and we have received positive feedback and plenty of compliments from our audience members. You should all be very proud of yourselves, especially when considering that STC have raised a fantastic profit of £1183.97, which will directly benefit the young people at SYD. The primary aim of STC has always been to have a sustainable group that gives opportunities to adults in the area, while supporting SYD's primary objectives. It's been amazing to see that in action and on behalf of the young people at SYD please accept our sincere thanks.

We know that many of you have been in contact to find out what the group's plans are for our traditional autumn slot and we wanted to provide you with the following update. Further to our most recent committee meeting, we have regrettably decided not to do a further musical or concert in 2016. This was a very hard decision, especially when we know so many STC Members will be keen to tread the boards again. 2016 has been a very busy year for the SYD committee and for our Senior Leaders. Every SYD group has undergone a reshuffle this year and it's meant additional time and resources being taken up, which in turn means that there is very little time left to plan, produce, direct and promote an STC show. STC is a fantastic group but the committee all agree that now is not the right time for us to be considering another set of performances.

We know that this will be really disappointing to some of you and hope that you can understand and support our decision. We will of course review 2017 on its own merits.

**Don't Panic.....Get your STC fix!**

We hope you'll agree that in the absence of a 2016 show it would be great if we could all stay in touch. We will make every effort to set up a few social events and fundraisers for the group and hope that you will come along. We are in the process of planning an 'STC Wine Tasting' evening which should get the ball rolling nicely! Further details to follow.

Once again, we hope that you can appreciate our position and that you'll join us at the upcoming social events. If you would like to discuss this further or have suggestions for STC social events please email the Committee at [committee@sawstonyouthdrama.com](mailto:committee@sawstonyouthdrama.com).

Yours sincerely,

Adam Bonner
